Steel Storage

Steel Storage & Accessories

➤ **Steel Storage** comprising of executive and contract filing cabinets, cupboards, tambours, lockers, security cupboards, security filing cabinets and internal fitments.

Overview

Products are manufactured using the latest production techniques, machinery, superior quality steel and powder coat paint. Components are carefully chosen for their aesthetic appearance, strength and durability. All products are assembled in the UK to ensure quality.

Our highly effective quality control is proven in the fact we have achieved accreditation for our design and durability with FIRA International.

Features & Benefits

- Assembled in the UK
- Quality assured
- Manufacture for strength and stability
- Comprehensive product range

Filing Cabinets

Contract filing cabinets are designed and manufactured for today's modern office environment, offering excellent value for money. They are strong, reliable and safe.

Contract Filing Cabinets

Contract Filing Cabinets are available in 2, 3 and 4 drawer options. Each drawer is fitted with anti-tilt device to prevent more than one drawer opening at the same time. The drawer front is fitted with a centre handle with index holder.

All drawers have high sides for additional strength and allows support for foolscap suspended filing. Cabinets are available in Grey, Black and Coffee/Cream paint finishes.

GO Side Opening Tambours

Go side opening tambours are the ideal solution for storage in areas where space is an issue. A wide selection of internal storage fitments means that you are able to accommodate all your storage requirements in one place.

GO Side Opening Tambours

Go side opening tambour units are user friendly. When opened the tambour doors slide back on a discreet track into the unit so less space is needed and there are no open doors in a busy office. Each unit is fitted with finger grip handles and a two point locking system and 2 keys (master series). Full length magnetic slam rails keep the doors tightly closed. All tambour units are supplied empty, a complete range of internal fitments are available, see opposite.

Tambours are available in 3 sizes 1016, 1651 and 1981mm high and are 1000mm wide. Grey and Black are supplied with a Grey tambour and Coffee/Cream are supplied with a Cream tambour.

Security Filing Cabinets

Extra security for 4 drawer filing. Extra enhancements are available in 2 formats, solid bar or individual locks.

S1FC4

Go security cabinets give added protection for valuable documents and material. Security filing cabinets are available in four drawer only. All drawers are protected with a solid bar that is secured at the top with a padlock (not supplied).

SSL4D

Go 4 drawer individual locking filing cabinets provide extra security with each drawer individually fitted with a lock and 2 keys (master series). A full size steel sheet is fitted between each drawer to prevent access if a drawer is removed.

Specialist Lockers

An anti-tilt locking device is fitted to every cabinet, preventing more than one drawer being opened at a time. Each drawer has 100% drawer opening with high sides to provide additional strength, allowing support for suspended filing.
