"cable managed…"

The Vivo II range of commercial desks incorporates a cable management system integrated into the leg design. A fully welded heavy gauge steel leg frame ensures maximum strength and stability. The top of the modesty panel has a cut out to allow access to cables from both front and back. Available in a range of styles and finishes with complementary primary and secondary storage. Supported with a 10 year guarantee.

Overview

Vivo II desks are manufactured in the UK using the latest CNC machinery to ensure quality.

All MFC is produced using sustainable practices, by suppliers who are part of the FSC chain of custody and the WWF foundation assuring that all our material comes from sustainable forestry.

All our MFC is tested to the highest standards and meets EN standard EN 14322:2004 as well as being BM Trade Certified to ISO9001:2008, ISO 14001:2004 and OHSAS 18001.

Features & Benefits

- 25mm desktop
- Cables fed through cable port, modesty panel, then through leg
- Removable leg covers to access cable management in leg.
- 18mm MFC back modesty panel with cutouts for cable management.
- Fully welded leg design for quick assembly and strength

Fully welded stylish leg designs offer superior strength and durability. Desking supplied with a 10 year guarantee.
